

# Material Safety Data Sheet

## (Fiche Technique Sante-Securite)

### 1) Identification and Use (Identification et Utilization)

Manufacturer (Fabricant) The Guelph Soap Company Inc.  
35 York Street West  
Elora, Ontario N0B 1S0 (519) 846-0934

Product Code (Code du Produit) 108003  
Trade Name (Marque Deposee) 90g White Bar/Bulk - (90g Le Barre de Savon/Blanc)  
Chemical Name (Nom Scientifique) Fatty Acids, (C8-18 & C18/C14-18 & C16-18) Unsaturated Sodium Salts

### 2) Raw Material and Transportation Classification (Materiel et Classification de Transport)

| Ingredients              | Cas # (#Cas) | Pin (Nip) | Class | Pkg |
|--------------------------|--------------|-----------|-------|-----|
| Fatty Acids/Sodium Salts | 67701-10-4   | N/A       | N/A   | N/A |
| Fatty Acids/Sodium Salts | 67701-11-5   | N/A       | N/A   | N/A |

Emergency Telephone (Numero de Telephone D'Urgence) 519-846-0934 Date - January 7/13

### 3) Physical Description (Proprietes Physiques)

|                                             |                                          |
|---------------------------------------------|------------------------------------------|
| Physical State - Solid                      | (Substance Materielle) Solide            |
| Solubility in Water - Completely            | (Solubility dans l'Eeau) Complettement   |
| Appearance & Odour - White, Light Fragrance | (Apparence & Odour) Blanc, Odeur Doux    |
| Specific Gravity - N/A                      | (Densite) - N/A                          |
| Vapour Pressure - N/A                       | (Pression de Vapeur) - N/A               |
| Freezing Point - N/A                        | (Point de Congelation) - N/A             |
| Vapour Density - N/A                        | (Pression de Vapeur) - N/A               |
| Percent Volatile - N/A                      | (Pourcentage Volatiles par Volume) - N/A |
| Boiling Point - N/A                         | (Point D'Ebullition) - N/A               |
| Evaporation Rate/water=1 - N/A              | (Taux d'evaporation/eau=1) - N/A         |
| PH: 5% Solution pH 9.8                      |                                          |

### 4) Health and Hazard Information (Risques Pour la Sante)

#### Health Effects (Effets sur la Sante)

|                       |                                               |
|-----------------------|-----------------------------------------------|
| Eyes - Irritation     | (Contact Avec les Yeux) Irritation            |
| Skin - May Irritate   | (Contact Avec la Peau) Peut Causer Irritation |
| Ingestion - No Effect | (Ingestion) Aucun Effet                       |
| Inhalation - N/A      | (Inhalation) N/A                              |

#### First Aid (Premiers Soins)

|                                  |                                                      |
|----------------------------------|------------------------------------------------------|
| Eyes - Wash with Plenty of Water | (Contact Avec les Yeux) Laver Abondamment Avec d'Eau |
| Skin - Wash with Plenty of Water | (Contact Avec la Peau) Laver Abondamment Avec d'Eau  |
| Ingestion - N/A                  | (Ingestion) N/A                                      |
| Inhalation - N/A                 | (Inhalation) N/A                                     |

### 5) Handling and Disposal Procedures (Precaution a Prendre Lors de la Manutention et de L'Elimination des Dechets)

#### Personal Protection Equipment (Mesures de Protection Individuelle)

|                                                          |                                                                         |
|----------------------------------------------------------|-------------------------------------------------------------------------|
| Gloves - N/A                                             | (Gants) N/A                                                             |
| Respiratory - N/A                                        | (Vois Respiratoires) N/A                                                |
| Footwear - N/A                                           | (Protection de Pieds) N/A                                               |
| Other - N/A                                              | (Autres Moyens de Protection) N/A                                       |
| Eyes - N/A                                               | (Protection des Yeux) N/A                                               |
| Special Handling Procedures & Equipment - N/A            | (Mesures Particulieres Pour le Transport Et L'Entreposage) N/A          |
| Ventilation Requirements - N/A                           | (Ventilation) N/A                                                       |
| Spill Procedures - Wash with Plenty of Water             | (Fuites ou Diversements) Laver Abondamment Avec d'Eau                   |
| Waste Disposal - Return to Guelph Soap Company Inc.      | (Traitement des Dechets) Renvoyer a Guelph Soap Company Inc.            |
| Storage Requirements - N/A                               | (Precautions a Prendre Lors de L'Entreposage) N/A                       |
| Shipping Information - See Transportation Classification | (Particulieres Pour le Transport) Voir Classification Pour le Transport |

6) Fire and Explosion Data (Donnees sur L'Incendie et L'Explosion)

|                                                 |                                                       |
|-------------------------------------------------|-------------------------------------------------------|
| Flammable - N/A                                 | (Inflammable) N/A                                     |
| Flash Point, C° - N/A                           | (Point d'Eclair, C°) N/A                              |
| Extinguishing Media - Water , Dry Chemical, CO2 | (Moyen D'Extinction) L'Eau, Produit Chimique Sec      |
| Special Fire Fighting Procedures - N/A          | (Techniques Speciales de Lutte Contre L'Incendie) N/A |
| Hazardous Combustion Products - N/A             | (Produits de Combustion Dangereux) N/A                |

7) Reactivity Data

|                                         |                                             |
|-----------------------------------------|---------------------------------------------|
| Stable - Yes                            | (Stable) Oui                                |
| Conditions to Avoid - None              | (Conditions a Eviter) Aucun                 |
| Incompatibility - None                  | (Incompatibilite) Aucun                     |
| Hazardous Decomposition Products - None | (Produits de Decomposition Dangereux) Aucun |
| Reactivity - None                       | (Reactivite) Aucun                          |
